

Dear Parents and Families,

Thank you for working alongside us in these challenging times.

Please find the following information as an update to the current Covid 19 situation and our response at KICE.

1. We have increased hygiene protocols across KICE and have additional cleaning hours to support increased levels of cleanliness.
2. We have closed our school to visitors and service providers and also have stopped community groups using the hired facilities e.g. Halls.
3. Currently teaching and learning is operating as normal at school and we are in the process of creating learning packs and on line platforms to ensure continuity in learning if we are to close.
4. Our emergency response plan if we have an identified case of Corona Virus has remained unchanged and is again attached for your perusal.
5. NAPLAN has been cancelled Australia wide for 2020 due to the level of absences and disruption to student learning.

As parents may we please request you,

1. Have a water bottle supplied for your child, filled each morning as shared drink fountains are no longer appropriate to use. We can top up bottles during the day at school as required.
2. Use the QR code to purchase lunch to limit large groups using the canteen.
3. Please keep your child at home if they are unwell.

Please keep in touch with your child's teacher and please don't hesitate to connect with me if you require additional information or would like to provide feedback.

Stay well and have a good weekend.

Regards,

*Maxine*
