STRATEGIES

- Providing a safe, caring and respectful environment
- Working cooperatively and collaboratively in flexible and adaptable teams
- Facilitating positive and stimulating collaboration between all stakeholders
- Valuing community and diversity

- Valuing the unique skills, attributes and qualities of our learning community members
- Encouraging respect and pride in our island community
- Recognising the island is our classroom and its place locally and globally through reflective practices

- Developing confidence, resilience, and emotional intelligence, and a sense of personal success
- Developing successful transition programs from birth
- Developing optimism and responsibility for choices which contribute to a preferred future.

leading to

OUTCOMES

- The realisation of individual potential
- The foundation for active citizenship
- The development of a sustainable futures perspective

results in

BROAD GOAL

A sense of self-worth and personal growth for each learner
