

QUALITY AREA 2: CHILDREN'S HEALTH AND SAFETY

Procedure: Safe bus transportation

Kangaroo Island Community Education – Parndana Preschool

This policy was developed in accordance with the Department for Education(DfE) School transport Policy. Staff at Parndana Preschool support students and families transportation by providing four bus routes. In accordance with our KICE bus policy children within 5kms of the school are only accommodated for when seats are available.

Implementation:

Staff & Admin will:

- Preschool families will be provided the KICE bus policy document with signed consent to confirm their child/children's interest in a seat on a bus.
- Bus coordinators will contact parents to ensure adequate space on the bus.
- Develop/ modify bus sign in/out sheets for all four routes.
- Preschool staff to greet the school bus at 8:30am in front of the school and support children off the bus.
- Preschool staff to sign students on & off the bus upon collection
- Staff will wait for all students getting dropped off on buses and dropped off by parents before escorting children to the classroom.
- If a preschool child hasn't arrived by bus and we haven't been notified of their absence the family will be contacted to check if they are attending.
- Staff members escort all children to the bus lines by 3:20pm for collection.
- Hand over children to their relevant bus driver and signs them into their care.

Parents/caregivers will:

- Read, sign and return signed bus policy.
- Obtain permission with HOC or bus coordinators before students can travel on buses.
- Be punctual for pick up/ drop off times.
- Greet bus drivers and ensure all preschool children will be signed on & off the bus.
- Notify admin/preschool staff if/when drop off/ pick up plans change.

Bus drivers will:

- Support students on & off the bus.
- Provide sign in/out sheets for parents/caregivers to sign their children on & off the bus.
- Make sure all children are collected by authorised caregiver/parent.
- Ensure all children have exited the bus before driver exits.
- Make sure all children are dropped off/ picked up from the correct location.
